Sub: Request for consideration of combined service -reg  
Ref: 1. NGSU letter dated 11.03.2016  
2. NGSU/IMD/50 dated 31.03.2016  
3. UPSC letter F.No.2/30/2016-RR New Delhi dated 04.05.2016

Raju Bhargav  
(Vice-President)

In continuation to the UPSC reply (reference 3) and vide file noting from UPSC dated 10.03.2016, it has come to our notice that the UPSC has given a green signal for consideration of combined service with a clause to release the promotion list after consideration of the following terms:

Gautam Roychoudhury  
(Asst. General Secretary)

1. 6 years of continuous service as AM-I  
Failing which
2. Assistant Meteorologist Gr-I Grade pay Rs 4800, with Combined service of 13 years with Grade pay 4200, 4600 & 4800  
Failing which
3. Assistant Meteorologist Gr-II Grade pay Rs.4600 with Combined service of 13 years with Grade pay 4200, 4600

A. S. Tripathi  
(Asst. General Secretary)

We also request that to benefit the existing senior officers the promotion list may be released after consideration of the combined service.

Rupesh Pandita  
(Treasurer)

With reference to our earlier letters and the reply received from the UPSC, it is clear that the combined service can be considered for filling of SO-I posts that were created due to cadre restructuring by surrendering the lower posts.

Rohatas  
(CEC Member)

Hence this union once again humbly requests you to kindly reconsider the stagnation and the combined service criteria so that all the posts thus created by the virtue of restructuring can be filled and the promotional benefit is extended to the maximum possible extent.

T. K. Mandal  
(CEC Member)

Anticipating a positive response at the earliest.

Thanking you,

Vijay Pal  
(CEC Member)

Yours faithfully,
